

FALL SPORTS INFO

Mandatory Code Meeting:

Mon, Aug 5, 5:30 pm at Horicon Elementary School Gym

Sports Physicals:

Any student who wishes to participate in school sports must have a valid sports physical. A student who has a sports physical from last school year (dated after April 1, 2023) should not need a physical this year. However, a student who has not had a sports physical on Apr 1, 2023 or later **MUST** have a new sports physical form completed before participating in practices or competitions.

If you don't know the date of your student's last sports physical, please call the MS/HS office and ask Mrs. Firari to check for you.

If your student needs a sports physical for this upcoming school year, we have some options to help you:

1. **LOW-COST:** For a limited time, the Occupational Health Clinic at Watertown Regional Medical Center is offering student sports physicals for only \$50. This is an out-of-pocket expense due at the time of appointment (special pricing runs through August 1, 2024). To schedule an appointment, call 920.262.4253.

2. **FREE or LOW-COST:** Family Health La Clinica is offering **FREE** sports physicals by appointment on July 17 from 8 a.m. to noon and on July 24 from 1 p.m. to 5 p.m. Outside of those times, they will offer sports physicals for \$50 on any day during the regular clinic hours.
